Foreword

This student handbook was developed to answer many of the commonly asked questions that students and parents may have during the school year and to provide specific information about certain Board policies and guidelines. Please take the time to become familiar with the following important information contained in this handbook and keep the handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this handbook, you are encouraged to contact the principal or assistant principal of your building. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student but only reflects the current status of the Board's policies and the School's rules as of August 2018. If any of the policies or administrative guidelines are referenced herein after August 2018, the language in the most current policies or administrative guidelines prevail. Copies of the current Board policies and administrative guidelines are available on the Corporation's web site.

Equal Education Opportunity

It is the policy of this Corporation to provide an equal education opportunity for all students. Any person who believes that the school or any staff person has discriminated against a student on the basis of race, color, creed, age, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the Corporation, or social or economic background, has the right to file a complaint. A formal complaint may be made in writing to the School Corporation's Compliance Officer listed below:
Mr. Branden Roeder
Superintendent
812-438-2655

The complaint procedure is described on Form 2260 F8.

The complaint will be investigated and a written response will be given to the concerned person within 10 school days. The compliance officer may provide additional information concerning access to equal education opportunity. Under no circumstances will the Corporation threaten or retaliate against anyone who raises or files a complaint.

Students should not arrive prior to that time. Breakfast begins at 7:40 a.m. in the school's cafeteria. Students not wishing to eat breakfast will be informed of where to wait until it is time for them to go to their lockers or report to their classrooms.

Student Rights and Responsibilities

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights will be protected, and that they will be treated with fairness and respect. Likewise, students will be expected to respect the rights of their fellow students and the staff. Students will be expected to follow staff members' directions and obey all school rules. Disciplinary procedures are designed to ensure due process (notice and a fair hearing) before a student is disciplined because of his/her behavior.

Parents have the right to know how their child is succeeding in school and will be provided information on a regular basis and as needed, when concerns arise. Many times it will be the responsibility of the student to deliver that information. If necessary, the U.S. Mail or hand delivery may be used to ensure contact. Parents are encouraged to establish constructive communication channels with their children's teachers and support staff and to inform the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

The staff expects students to arrive at school prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program. If, for some reason this is not possible, the student should seek help from a member of their building's administration.

Student Well-Being

Student safety is a responsibility of the students and the staff. All staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. Should a student be aware of any dangerous situation or accident, he/she must notify a staff person immediately.

All students must have an emergency medical card completed, signed by a parent or guardian, and filed in the school office.

Students with specific healthcare needs shall submit those needs in writing and with proper documentation by a physician to the school office.

Injury and Illness

All injuries must be reported to a staff member or office personnel. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission from a staff member to go to the office. The office will determine whether or not a student should remain in school or go home. No student will be released from school without proper parental permission.

PowerSchool (Student Management System)

Parents of all students (K-8) will be given a login and password that they will be able to use on the parent portal of the PowerSchool system. Parents will be able to view attendance data, class grades, current assignments, and view daily announcements on the system. Parents are encouraged to visit the site often as the information contained there may answer many of their questions and eliminate a call to the office. Parent access to PowerSchool can be found at <http://powerschool.risingsun.k12.in.us/public/>. Parents are encouraged to use the PowerSchool App.

Pledge of Allegiance and Moment of Silence

In accordance with State law, OCEMS will provide the students with an opportunity to recite the Pledge of Allegiance and observe a moment of silence each day. This opportunity will be determined by the administration to ensure a minimum of educational disruption. Any student who wishes not to participate in the Pledge of Allegiance or moment of silence shall remain seated and quiet and not disrupt those students taking part. Students who do not wish to participate will not be harassed or punished in any manner.

After-School Tutoring

After-school tutoring will be offered at each level (K-5, 6-8-if funding is available). Students and parents will be notified in advance of the dates and times and the procedures needed to be followed for the after-school tutoring program.

Texting Tipline

Rising Sun-Ohio County Schools has created an anonymous tipline for students and parents to use in order to maintain a safe and secure school and community. The number will be published on an annual basis. Students and parents with cell phones will be able to text information to the school's resource officer. The texter will be anonymous with only the phone number from where the text originated being displayed. The school resource officer will evaluate the information and make proper notifications as the information provided dictates. If determined to be necessary, the SRO will try to contact the texter to arrange a meeting for further details.

Section I – General Information

Enrolling in School

Students are expected to enroll in the school corporation in which they have legal settlement, unless other arrangements have been approved. Students who are new to the school are required to enroll with their parents or legal guardians. When enrolling, the parents will bring:

- 1) A birth certificate or similar document,
- 2) Court papers allocating parental rights and responsibilities,
- 3) Or custody (if appropriate),
- 4) Proof of residency, (no homeless child will be denied enrollment based on lack of proof of residency),
- 5) Proof of all required immunizations.

In some cases, a temporary enrollment may be permitted. In such cases, parents will be notified about documentation required to establish permanent enrollment.

Students enrolling from another accredited school must have an official transcript from the sending school in order to receive credit from that school. Office personnel will assist in obtaining the transcript if not presented at the time of enrollment.

Homeless students who meet the Federal definition of homeless may enroll and will be under the direction of the Corporation Liaison for Homeless Children with regard to enrollment procedures.

Non-resident students should refer to the Corporation Policy 5111 for eligibility requirements to enroll. Foreign students and foreign-exchange students (from recognized and approved student programs) are eligible for admission on the same basis as other non-resident students.

Scheduling and Assignment

Grades K-5

The principal will assign each student to the appropriate classroom and the program in which the student will be participating. Parents are not allowed to request specific teachers for their children. Any questions or concerns about the assignment should be discussed with the principal.

Grades 6-8

Schedules are provided at the beginning of each semester or upon enrolling. The schedule is based upon the student's needs and available class space. Any changes to the student's schedule shall be handled through the building principal.

Early Dismissal

The administration realizes that there are times when students must be picked up early during the school day for appointments or other needs. However, student safety and security are the utmost importance of all school personnel. Therefore, anyone picking up a student early must adhere to the following procedures:

- 1) A parent or guardian who is listed in the demographics information for the student.
- 2) A person identified either by verbal or written communication by the parent or guardian to the appropriate office or listed as an emergency contact in the student's demographics.
- 3) Present valid photo identification to school personnel, when asked.
- 4) Complete check-out procedures in the appropriate office.

Transfer out of the Corporation

If a student plans to transfer from the school, the parent must notify the principal. School records shall be transferred within fourteen (14) days to the new school corporation. Parents are encouraged to contact the main office for specific details.

Withdrawal from School

No student under the age of eighteen (18) will be allowed to withdraw from school without an exit interview with the building Principal who must agree to the withdrawal. The Principal is required to provide the Bureau of Motor Vehicles the name of any student under the age of eighteen (18) who withdraws from school for revocation of the student's driver's license. The student may not be able to obtain an employment certificate needed to obtain a job.

MEDICATION POLICY

In accordance with state guidelines, we will only administer those medications necessary to maintain a student in school. A strict policy will be followed in order to comply with

state guidelines and ensure safe effective administrations of medication for those students who require it.

Head Lice and Nit Policy

Head lice are tiny, wingless parasitic insects that live among human hairs and feed on small amounts of blood drawn from the scalp. Lice are not dangerous and do not spread disease, but they are contagious.

If head lice and/or nits are suspected, the student will be checked by the school nurse or other school personnel for signs of lice. If lice or nits (eggs) are present, the student will be sent home. Students are not permitted in the classroom with lice or nits.

Students with head lice or nits should not be sent to school and will be sent home for treatment. Students are not permitted to attend school until all lice and nits are removed. Students will be sent home with active head lice and/or nits, even if they have been treated. Students who are sent home will be checked before he/she is readmitted to the classroom.

Once a student is sent home with head lice, treatment should occur immediately and the student is to be back in school within 3 days, including the day he/she was sent home. Students may be counted as unexcused after 3 days unless extenuating circumstances exist. Parents must contact the school nurse if their child is to be absent for more than 3 days.

Complete treatment includes removing lice and nits. The following steps should be followed:

- Report all suspected head lice and/or infestation to the school nurse.
- Treat your child and everyone who lives in the household with lice shampoo.
- Remove all nits (eggs) with a fine toothed comb.
- Vacuum all carpets, rugs, upholstered furniture, mattresses, and seats and headrests of your car.
- Wash all recently worn clothing including coats and backpacks, towels, sheets, and linens in hot soapy water and dry in hot dryer for at least 20 minutes.
- Vacuum all non-washable linens.
- Furry and fuzzy toys should be washed and placed in sealed plastic bag for 2 weeks.
- Soak all combs, brushes, headbands, etc. in hot water for at least 10 minutes.

What are bed bugs?

Bed bugs are small insects that feed on people when they sleep. Bed bugs are more likely to feed during night time hours and typically reside where people sleep. Bed bugs do not transmit disease, but can cause secondary skin infections resulting from scratching the bites.

Infestations are uncommon in school buildings but can be found in a school environment on clothing, books, backpacks, etc., from an infested home.

Inspection and Reporting

- It is not recommended that students be excluded from school for an infestation in the home.
- School closure is not recommended due to infestation.
- If a bed bug is found on a student or his/her belongings, the student will be discretely removed from the classroom and clothing and belongings will be examined. Store the student's items in a garbage bag until the student leaves school.
- Contact the parent/guardian of the student by telephone or through a notification letter to make them aware a bug was found on the student's belongings and that a home inspection is recommended.
- Classrooms should be treated when students are not present.
- Document occurrences, if bed bugs have been visualized in a classroom on multiple occasions within a short period of time, a licensed exterminator should inspect the classroom.
- Only a trained professional, or someone under the direct supervision of a licensed professional, should perform inspection and apply treatment to affected areas in the school building.
- A school administrator or nurse should oversee the implementation of the integrated pest management plan.
- Treatment should be applied after school hours. It is unlawful to have students present while the treatment is being applied.
- The school principal and/or nurse can determine whether or not to notify parents of the class of students in the affected class.

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest such as lice. Specific diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the local and state health departments.

Any removal will be limited to the contagious period as specified in the school's administrative guidelines.

Control of Non-casual-Contact Communicable Diseases

The corporation has an obligation to protect staff and students from non-casual contact communicable diseases. When a non-casual contact communicable disease is suspected, the staff or student's health will be reviewed by a panel of resource people including the County Health Department. The school will protect the privacy of the person affected and those in contact with the affected person. Students and staff will be permitted to remain in school unless there is definitive evidence to warrant exclusion.

Non-casual contact communicable diseases include sexually transmitted diseases, AIDS, ARC-Aids Related Complex, HIV, Hepatitis B, and other diseases that may be specified by the State Board of Health.

As required by Federal Law, parents will be requested to have their child's blood checked for HIV and HBV when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

Special Education

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students but all individuals who have access to the Corporation's programs and facilities.

The law defines a person with a disability as anyone who:

- 1) has a mental or physical impairment that substantially limits one or

- more major life activities;
- 2) has a record of such impairment; or
- 3) is regarded as having such an impairment.

The Corporation has specific responsibilities under these two laws, which include identifying, reviewing, and if the child is determined to be eligible, affording access to appropriate educational accommodations.

Students are entitled to a free appropriate public education in the “least restrictive environment.” The school provides a variety of special education programs for students identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA).

A student can access special education services only through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the school encourages the parent to be an active participant.

Students with disabilities who do not qualify for IDEA may be served within the regular education program with an accommodation plan developed through an interactive dialogue between the school, the student, and the student’s parent(s). Parents who believe their child may have a disability that interferes substantially with the child’s ability to function properly in school, should contact the appropriate school’s main office.

Homeless Students

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the Corporation. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in high ability programs, and receive meals under the school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of residency.

Protection and Privacy of Student Records

A copy of the Family Education Rights and Privacy Act is on file in the principal’s office and may be viewed at any time upon request. The Corporation will follow the guidelines set forth by the act.

Any student or parent of a student who does not wish to have specific information, such as, honor roll listing, statistics for sports events or results of music contests, etc., published may request the school to withhold the information. The information will then be kept from all news sources including local school publications.

For further reference, please review Corporation Policy 8330.

Student Fees and Charges

Rising Sun – Ohio County Schools has the right to charge specific fees for certain activities and courses. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to school property. The school and staff do not make a profit. Fees may be waived in situations where there is a

financial hardship.

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

Meal Service

Rising Sun Schools participate in the USDA National School Lunch and Breakfast Programs and offer a nutritious breakfast and lunch at both schools. Lunch is \$2.55 per day for grades PK-2 and \$2.75 for grades 3-8. Breakfast is \$1.25 for grades PK-8. A computerized meal accounting system is used. No money will be accepted in the cafeteria. Each student will have a P.I.N. (Personal Identification Number). This is a debit account (not a credit account). This means that money is deposited into the account, then the student can purchase food items using it. If there is money in the account, the purchases are deducted. You may pay by cash or check payable to OCEMS or Rising Sun-Ohio County Comm. School Corp. You may also sign up at EZSchoolPay.com and make payments into your student's account online. Online transactions will be charged a service fee. The service fee will be determined by the School Corporation on an annual basis.

Cashiers will let the students know when their balances are getting low. Reminders will also be given to students in grades PK-5 when balances are low. Balances may also be monitored at EZSchoolPay.com. Students will not be allowed to charge any snacks or a la carte items. If balances fall into the negative, an alternative lunch (consisting of a peanut butter sandwich and milk) may be provided at no charge.

Students eligible for free meals will be served a complete meal at no charge. Students eligible for reduced price meals will be provided breakfast for \$.30 and lunch for \$.40. The computer system does not allow identification of the free and reduced students. In order to purchase a la carte items and/or extra milk, money must be in the student's account.

Applications for free and reduced meals are available in your school's office.

Parents/Guardians are responsible for the full payment of meals until they receive a determination letter that their child has been approved for free or reduced price meals.

Parents can visit the EZ School Lunch webpage and/or app to check balances and deposit money into a student's account. Parents can visit the following website for further information (<http://risingsun.k12.in.us/apps/ezschoollpay>)

Visitors During Lunch

Due to increase safety and security concerns, OCEMS is a closed campus during lunch. This means that no outside visitors or guests are allowed to eat lunch with the students.

Parents/guardians wanting to deliver lunch to their children must leave the items in the office and the items will be delivered to the student or held for them to be picked up in the office.

Classroom Food and Beverage Policy

Rising Sun Schools will only allow food and/or drink items that are provided for an entire class by parents, guests, or anyone else to be store bought. The items must be in the original package and have the nutritional information attached and clearly visible. No homemade items will be allowed to be served to an entire class. The only exception to this is fresh produce, for example, whole apples, bananas, grapes, etc. Students under age 16 are not permitted to bring/consume power drinks on the school campus.

Fire, Tornado, and Safety Drills

The school complies with all fire and safety laws and will conduct fire drills in accordance with State law. Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building.

Tornado drills will be conducted during the tornado season using the procedures prescribed by the State. The alarm system for tornadoes is different from the alarm system for fires and consists of a verbal announcement through the P.A. system. Safety drills will be conducted once per school year. Teachers will provide specific instruction on the appropriate procedure to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

Emergency Closing and Delays

If school must be closed or delayed because of inclement weather or other conditions, the school will notify parents in the following manner:

- 1) Notification using Alert-Now System
- 2) WSCH 99.3 Radio Station
- 3) Local television channels
- 4) School website risingsun.k12.in.us or risingsunschools.com

Parents and students are responsible for knowing about emergency closing and delays.

Safety and Security

- 1) All visitors must report to the office upon arrival at school.
- 2) All visitors are given and required to wear a building pass while they are in the building.
- 3) Staff are expected to question people in the building whom they do not recognize and who are not wearing a building pass.
- 4) Students and staff are expected to immediately report to an administrator any suspicious behavior or situation that makes them uncomfortable.

- 5) Only the main entrance doors will remain unlocked during the school day. All other doors will be locked. Doors shall not be propped open at any time.
- 6) If a person wishes to confer with a member of the staff he/she shall call for an appointment prior to coming to the school in order to prevent any inconvenience.
- 7) Students are not allowed to bring visitors or guests with them during the school day.

Visitors

While the Rising Sun – Ohio County School Campus is a public facility, the safety and security of our students and staff is the highest priority. There will be times during the year that events are opened to the public and everyone will be invited to attend. On a daily basis, access to the buildings during school hours will be limited and monitored. Accordingly, visitors wishing to enter a school building past the main office area must have a completed criminal history search that has been approved by an administrator on file with the Corporation. Visitors must report to the main office upon entering the school to sign in and obtain a pass. Any visitor found in the building without the proper pass and identification will be escorted to the main office by a staff member or an administrator and, if the situation warrants, report the person to the SRO.

Any person wishing to conduct a meeting with an administrator or staff personnel shall contact the appropriate school office and schedule a meeting time. While efforts will be made to accommodate visitors on a walk-in basis, a meeting with a walk-in visitor from the administration is not guaranteed.

Student Sales

No Student is permitted to sell any item or service in school without the approval of the administration. Violations of this policy will lead to disciplinary action.

Advertising Outside Activities

No announcements or posting of outside activities will be permitted without the approval of the Principal. A minimum of one school day is required to ensure that the Principal can review the announcement or posting. If approved, copies must be made in stacks of 25 and delivered to school for distribution.

Leaving the Building

A student is **never** to leave the building or school grounds while school is in session without securing permission from the office. Students must sign out, giving time and reason for leaving and also sign in when returning. No students may ever leave the school grounds without the following:

- a) verbal permission from the office
- b) permission from parents by a phone call before leaving
- c) authority from a teacher prior to coming to the office
- d) signing an attendance office sheet

Students may not leave school grounds without parental consent for such things as shop projects, class or club obligations, or class trips.

Use of Office Telephones

Office telephones are not to be used by students for personal calls. Students will not be called out of class to talk on the phone. Messages will be delivered at the earliest convenience of the office staff. The delivery of messages during the day is not guaranteed.

Cell Phones

Students are not allowed to carry cell phones on their persons at Ohio County Elementary-Middle School. Any cell phone brought into the building must be turned off and kept in the student's locker. Students may not use their cell phones during school hours. Violation of the cell phone policy may include but is not limited to After-School, Friday School, or out of school suspension/expulsion. Violation will also result in the immediate confiscation of the phone until a parent is contacted. Cell phone violations that involve sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of a sexual nature will be turned over to the police as these activities are violations of state law. All communication regarding student illness must be made through the office.

IMPORTANT NOTICE TO STUDENTS AND PARENTS REGARDING CELL PHONE CONTENT AND DISPLAY:

- The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.
- It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph, or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photography, motion picture, digitized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.
- Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is

important for parents and students to be aware of the legal consequences should this occur in our school system.

Cameras

Cameras are prohibited from being in any academic area without prior approval from building administrators and/or the specific classroom teacher.

Toys

Toys, including stuffed animals, are not permitted at school unless approved by the teacher or school administration.

Passes

Every student who leaves a classroom must have a pass. Any student who is stopped in the hallways without a pass will be considered skipping that period. Teachers need to make sure that students have a pass when leaving the classroom.

Grades K-5

Teachers will have passes available for the students to use when leaving the classroom unsupervised.

Grades 6-8

Students will need to sign out/sign in on record sheet and use pass provided by the teacher when leaving the room unsupervised.

Lockers and Locks (Grades 6 – 8)

At the start of each year, every student will be assigned a locker with a combination lock for personal use. Students should not give their combination to any other person. Students may not bring their own locks for lockers used at the school. Students should only use the locker assigned to them. Students are not to share a locker with another student unless assigned to do so by the principal's office. Students are responsible for maintaining the locker in good condition. Students are not to write anything on either the inside or outside of the locker. Students are to get permission from the principal's office before hanging anything on their locker. A student may be charged a maintenance fee for excessive damage to a locker that could not happen through normal usage.

Students should never leave money or valuables in their lockers. Large amounts of money should be left in the office for safekeeping. Students, not the school, are responsible for their own property.

Student Locker Inspection

All lockers made available for student use on the school premises, including lockers located in the hallways and physical education and athletic dressing rooms, are the property of the School Corporation. These lockers are made available for student use in storing school supplies and personal items necessary for use at school, but the lockers are

not to be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rule.

The student's use of the locker does not diminish the corporation's ownership or control of the locker. The school corporation retains the right to inspect the locker and its contents to insure that the locker is being used in accordance with its intended purpose, and to eliminate other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials, and to prevent use of the locker to store prohibited or dangerous materials such as weapons, illegal drugs or alcohol.

Book Bags and Backpacks

For the safety of our students and staff, book bags, cinch bags and backpacks should be kept in the lockers during the school day. Any type of bag or backpack is not permitted in classrooms or cafeteria without permission from administration.

Student Searches

School personnel have the right to protect students from harm, to conduct reasonable searches of students' lockers, belongings and, when necessary, of their person.

Parent/Teacher Conferences

Times will be scheduled in the fall of each school year for parents to have an opportunity to meet with all of their child's teachers. Parents are encouraged to attend these conferences.

Teachers may request parents to visit the school, and parents may request to meet with teachers. Conferences will be scheduled during school hours at a time when the teacher is not assigned to a classroom or immediately before or after school hours on any school day.

Parents should call the Principal's office to make arrangements with the secretary for a conference.

Pest Control Policy

The school corporation is committed to providing students a safe environment. It seeks to prevent children from being exposed to pests and pesticides. While pesticides protect children from pests that may be found in the school and its surrounding grounds, under some circumstances they may pose a hazard to children. Therefore, pest control practices may involve a variety of chemical and non-chemical methods that are designed to control pests effectively while minimizing potential exposure to children.

The corporation will

1. Inform annually parents and staff members of the corporation's control policy at the time of students' registration (beginning of the year or semester) by a separate memorandum or in the student handbook.
2. Provide the name and phone number of the person to contact for information regarding pest control.
3. Establish a registry of parents and staff members who want to receive advance of all pesticide use and provide such notice.
4. Provide notice of planned pesticides application to parents and employees who have requested advance notice.

5. **Provide notice of all pesticide applications to school nurse.**
6. Maintain written record for 90 days of any pesticide applications.

The corporation will provide notice at least two school days prior to the date and time the pesticide application is to occur. The notice will include the date and time of the pesticide application, the general area where the pesticide is to be applied, and the telephone number to contact the school for more information.

In case of emergency pesticide applications, because of the immediate threat to the public health, the school shall give written notice as soon as possible.

Grades and Grading Scales

OCEMS has established a standard grading procedure, as well as additional notations that may indicate work in progress or incomplete work. The purpose of a grade is to indicate the extent to which the student has acquired the necessary learning. In general, students are assigned grades based upon test results, homework, projects, and classroom participation. Each teacher may place a different emphasis on these areas in determining a grade and will so inform the students at the beginning of the course work. If a student is not sure how his/her grade will be determined, he/she should ask the teacher.

Grading Periods, Progress Reports, and Power School

Students will receive a report card at the end of each 9-week grading period. Students will also be issued progress reports approximately halfway through each grading period. Parents will be provided login and passwords to the school's Power School system so that they may monitor their child's progress on a daily basis. If a parent needs to get a new login and/or password, they should contact the appropriate school office for assistance. It is the desire of the school administration that parents and students use the Power School system to stay informed of current grades. If a parent desires a hard copy of a student's progress report and/or report card, they must request to have one in writing to the appropriate office.

Semester Grades

Students will be issued semester grades at the end of the first and second semester. The semester grades will be calculated as follows:

The semester grade will be the average of the two 9-week grading period grades during that semester.

Nine-week courses that are offered on a rotational basis will not have semester grades.

These courses will have nine-week grades only.

Promotion, Placement, and Retention

Grades K-5

Promotion in the elementary grades will be based upon the following criteria:

- 1) Current level of achievement.
- 2) Potential for success at the next level.
- 3) Emotional, physical, and/or social maturity
- 4) Success on State Required Examinations (I-Read 3)

Grades 6-8

Teaching students to be responsible for their actions and their studies is one of the most important concepts taught at the middle school level. Students should develop independent learning skills that will stay with them for the rest of their lives. Students in grades 6-8 will earn points for the successful completion of all classes each semester to be promoted to the next grade. A student will earn one (1) point for the successful completion of Language Arts, Mathematics, Science and Social Studies each semester. A student will receive .25 of a point each 9 weeks for any/all other classes including Art, Music, Band, Business, Family and Consumer Science, Health, Gym and Industrial Technology. To be promoted to the next grade level, a student must have accumulated six (6) or more points from Language Arts, Mathematics, Science or Social Studies and two (2) points from all other classes, for a total of eight (8) points for the school year. If a student fails to accumulate the necessary points for a given year, he/she will have an opportunity to earn the necessary points during the summer by attending summer school sessions. A student, who still does not have the necessary points by the end of the summer term will repeat the current grade level until the required points are accumulated for that grade level.

Exceptions to this policy are:

- a. A student with an IEP will have their grade placement determined at the annual case conference by the case conference committee.
- b. A parent who disagrees with a student's placement **at the conclusion** of summer school may appeal the placement in writing to the building principal. The principal will review the student's records and make the final determination.

Field Trips

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co-curricular and extra-curricular program. No student may participate in any school-sponsored trip without parental consent.

- Attendance rules apply to all field trips.
- Students who violate school rules may lose the privilege to go on field trips.
- While the school encourages the student's participation in field trips, alternative assignments will be provided for any student whose parent does not give permission for the student to attend.
- The student is responsible for all work missed in his/her classes on the day(s) of the trip and shall have work completed for the next class upon his/her return.

Homework

Homework can be expected. Student grades will reflect the completion of all work, including outside assignments. Homework is also part of the student's preparation for the assessment tests and eventually graduation. Homework is not used for disciplinary reasons, but rather to enhance the student's knowledge of lesson material.

Cheating/Plagiarism

The administration and staff of OCEMS expects that all work that a student turns into his/her teacher to be his/her own. Classroom teachers will develop guidelines on the consequences of cheating in their classrooms.

Plagiarism is defined as the presentation of ideas or words of another as one's own. The administration and staff expects all of the students of Rising Sun-Ohio County Schools to strictly follow the rules of research, documentation, and notations. Students found to be in violation of these guidelines may have discipline procedures initiated against them, which may include grade reduction, grade forfeiture, class failure, and, in extreme cases, suspension and/or expulsion from school.

6. Vandalism – Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy hardware or data for another use. This includes, but is not limited to, the uploading or creation of viruses.
 7. Personal Safety –
 - a. Do inform your teacher or other staff member of any inappropriate message.
 - b. Never give out personal contact information about yourself or others.
 - c. Do report any security breaches immediately to your teacher or staff member.
 - d. Do not demonstrate the security breach to other users.

Student Assessment

To measure student progress, students will be tested in accordance with State standards and Corporation policy. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

Classroom tests will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives.

Vocational and interest surveys may be given to identify particular areas of student interest or talent. If necessary, intelligence tests, speech and language evaluations, individually administered achievement tests, and other special testing services are available to students needing these services.

Depending on the type of testing, specific information and/or parent consent may need to be obtained.

Section III---Student Activities

School Sponsored Clubs and Activities

Rising Sun – Ohio County Community Schools provides students the opportunity to broaden their learning through curricular-related activities. A curricular-related activity may be for credit, required for a particular course, and/or contain school subject matter. OCEMS has many student groups that are authorized by the school. It is the Corporation's policy that only authorized groups are those approved by the Board of School Trustees and sponsored by a Board approved sponsor. List of approved groups are:

ACADEMIC TEAM
ART CLUB
ATHLETIC TEAMS
CHEER SQUAD
DRAMA CLUB
FELLOWSHIP OF CHRISTIAN ATHLETES
SPELLBOWL
SOLO & ENSEMBLE (Instrument and Vocal)
NATIONAL HONOR SOCIETY
GOTR
SCIENCE CLUB
SCHOOL DANCES
STUDENT COUNCIL

Extra-curricular activities do not reflect the school curriculum, but are made available to students to allow them to pursue additional worthwhile activities such as recreational sports, drama, and the like.

All students are permitted to participate in the activities of their choosing, as long as they meet the eligibility requirements.

Non-School Sponsored Clubs and Activities

Non-school sponsored student groups organized for religious, political, or philosophical reasons may meet during non-instructional hours. The application for permission can be obtained from the building Principal. The application must verify that the activity is being initiated by students, attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities and that non-school persons do not play a regular role in the event, unless any of the above statements is waived by the building Principal. School rules will still apply regarding behavior and equal opportunity to participate. No non-corporation sponsored organization may use the name of the school or school mascot.

Athletics

OCEMS provides a variety of athletic activities in which students may participate providing they meet eligibility requirements that may apply. To obtain a list of the current athletic activities offered, see eligibility requirements, and for a copy of current athletic handbooks, please contact the appropriate Athletic Director:

Middle School Dances

In order to be eligible to attend a middle school dance, a student must:

- 1) Be in attendance during the regular school day unless the absence was approved by a building administrator.
- 2) Not been assigned more than one (1) after-school detention or received a major discipline referral.

Middle School Good Behavior Trips

Students in grades 6 – 8 can earn a good behavior reward at the end of each 9 weeks. Students who receive this have no office referrals or discipline such as after school detention, Wednesday School, ACDC or suspensions. Each 9 weeks the student discipline will start over for all middle school students.

Section IV---Student Conduct

Attendance

Student absenteeism is one of the major causes of student failure in school. Parents and students together have a responsibility to see that needless absences do not occur. Punctuality and regular attendance reflect success in the classroom and eventually on the job. A careful record of attendance is maintained by the schools and becomes a part of a student's permanent record.

Reporting Absences

For any absence, the parent/guardian should call the appropriate school office on the day of the absence. If this is not possible, then a phone call or a written note signed by the parent/guardian stating the date of and the reason for the absence shall be submitted with the student upon returning to school. Students missing due to a medical visit shall bring documentation from the doctor's office verifying the visit. A student cannot attend school on dates the medical note has excluded the student from school.

OCEMS (K-5)

A student is allowed eight **(8)** days of absences each semester. If a student exceeds the 8 days, a parent will be required to submit a medical excuse for the absence within 1 school day of the student's return. If a medical excuse is not provided as required, that absence will then be unexcused. Unexcused absences will result in the following:

- 1) After three (3) unexcused absences, parents will be contacted by the School Resource Officer.
- 2) After five (5) unexcused absences, the School Resource Office will conduct a home visit.
- 3) After eight (8) unexcused absences, the School Resource Officer will refer the parents to the Dearborn/Ohio County Probation Department

If a student exceeds more than eighteen **(18)** absences **during the school year**, the student may be retained at the current grade level the following school year.

OCEMS (6-8)

A student is allowed six **(6)** absences per period each semester. If a student exceeds the 6 absences in a period, a parent will be required to submit a medical excuse for the absence within 1 school day of the student's return. If a medical excuse is not provided as required, that absence will then be unexcused.

Unexcused absences will result in the following:

- 1) After three (3) unexcused absences, parents will be contacted by the School Resource Officer.
- 2) After five (5) unexcused absences, the School Resource Office will conduct a home visit.

- 3) After six (6) unexcused absences, the School Resource Officer will refer the parents to the Dearborn/Ohio County Probation Department.

If a student exceeds more than eighteen **(18)** absences during the school year in **three (3) or more** class periods, the student may be retained at the current grade level the following school year.

Monthly incentive programs will be developed for students who accumulate no tardies or unexcused absences for the month.

A student **will not** be counted absent from school (K-8) for:

- a) Service as a page of the Indiana General Assembly
- b) Service as an election day worker
- c) Out of class, school sanctioned activities such as field trips
- d) Death and Funeral of members of the household and/or immediate family: up to 5 non-counting days for any absence due to death of father, mother, guardian, brother, sister, grandparent, spouse, child, father-in-law, mother-in-law. One day absence will be allowed due to death of any other blood relative. Additional days of absence will be considered on an individual basis by school administration, if they are requested in advance.
- e) Subpoenaed to appear in court in a judicial proceeding- court documentation required.
- f) Student is detained in a juvenile detention center
- g) No regular school bus pick up at residence due to inclement weather or bus breakdown.
- h) School related injury (for the day missed only)

Vacations During the School Year

Parents are encouraged not to take their children out of school for vacations. When a family vacation must be scheduled during the school year, the parents shall discuss the matter with the building Principal to make the necessary arrangements. The student will be required to get assignments in advance and turn completed assignments in to the respective teachers by the determined date.

Attendance Waiver

School administration consideration may be given when an extenuating circumstance would indicate that it would be in the best interest of the student or school. In such cases the administration will:

- 1) Review submitted attendance waiver applications and provided documentation.

- 2) Determine whether a waiver application should be approved or not approved.
- 3) Determine whether or not there are extenuating circumstances, which warrant modifications to the attendance policy for a particular student.

If a student has a serious medical condition or extenuating circumstance which make it impossible for him /her to adhere to the attendance policy, the student and parent/guardian may submit a request for an attendance waiver to the school attendance committee. A parent or guardian may obtain an attendance waiver form through a conference with the school attendance officer. Attendance waivers will be considered on a case-by-case basis and granted only in circumstances where the student and parent/guardian have done everything possible to maintain regular school attendance.

Attendance waivers are for extreme circumstances. Days missed due to general absences for illness or Dr. Appointments, in general, do not meet waiver guidelines.

The decision by the school administration is final.

Truancy/Habitual Truant

Truancy is when a student is absent from school without the knowledge of his/her parent(s) or guardian(s). A student is considered a habitual truant upon the third absence from school in which the parent is unaware of the student's absence.

Make-Up Work

Upon return to school, it is the student's responsibility to request make-up work, which must be completed within the same number of days the student has missed. Students are advised that a test or quiz, written or oral, taken as make-up upon return to school, may not be identical to the one which the student missed. It may not even be the same type of test.

Tardiness

Grades K-5

A student who is not in his/her assigned location by **8:00 A.M.** shall be considered tardy. Students will be counted absent if they arrive after 9:00 A.M. Any student arriving late to school must report to the main office and sign-in before going to class. Every five (5) tardies will be counted as one (1) unexcused absence per semester.

Grades 6-8

A student will be allowed four tardies to **any** class **each grading period**. After the fourth tardy to **any** class by a student the following action will be taken:

5 th tardy Assigned	1 after-school detention
6 th tardy Assigned	1 after school detention
7 th tardy Assigned	1 Wednesday Evening school
8 th tardy Assigned	2 Wednesday Evening schools
9 th tardy Assigned	3 Wednesday Evening schools
10 th tardy +	Determination of the Administration

** Middle school students forfeit the opportunity to attend the next school dance upon their 6th tardy.

Student Attendance at School Events

The school encourages students to attend as many school events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help build school spirit and encourage those students who are participating in the event.

In order to ensure that students attending evening events as non-participants are properly safe-guarded, the following guidelines will be enforced:

- Students in grades K-5 must be seated during the activity time with a parent/guardian or another adult.
- Students in grades 6-8 must be seated in an approved area during the activity time.
- Students who are not seated during the activity will be given one warning. On the second offense they will be returned to their parent and reminded to remain seated.
- On a third offense, the student and/or parent may be asked to leave the activity.

The school is not able to supervise unaccompanied students nor will it be responsible for students who arrive without an adult chaperone.

Discipline Guidelines

While this document deals directly with students' rights and responsibilities, it indirectly describes the rights and responsibilities of teachers, school administrators, and school employees.

The teacher is required by law to maintain a suitable environment for learning, to carry out this responsibility, the teacher may discipline a student. Administrators have the right to discipline, suspend, or recommend expulsion of students.

Discipline shall mean all forms of corrective actions taken by school personnel other than suspension and expulsion. The following methods are among those forms considered as "discipline": conferences, detention, reduction of grades, assigning additional work, restriction from extra-curricular activities, corporal punishment, and any other action that

is reasonably necessary to carry out or prevent interference with an educational function or school purpose.

Law officials will be summoned whenever it appears laws are being violated or whenever it is deemed necessary.

Student Conduct

"We are known by our actions as well as our words." This old saying implies that learning correct behavior is as important as any other part of school training.

Good appearance in and about the school building is necessary. This means the entire campus should be free of paper and waste materials. Walking across the lawn destroys the efforts to keep it attractive. Inside the building, locker doors are to be kept closed, waste paper off the floor, and chewing gum off the desks, tables, and floors. Writing on walls and furniture and the defacing of books, magazines, and other property is not tolerated and would be cause for disciplinary action.

Student relationships with teachers and other students should be friendly and respectful at all times. Undesirable behavior while a fellow student or teacher is talking is disrespectful and is not permitted.

Proper clothing and attractive personal appearance in school are very important. Both boys and girls should have sufficient pride in personal appearance to use good taste in dress and personal appearance.

At convocations, assemblies, or athletic events every speaker or group of performers should receive respectful attention. Proper respect for the display of the flag and the playing of the national anthem reflects credit upon the individual, the school, and the community.

Conduct at sports events reflects on the students as citizens. Sitting in the school section is important for supporting your athletic team. Cheerleaders and the teams need your support at pep sessions and ballgames. The student body must show respect for the referees' decisions. The teams appreciate the students' presence and enthusiasm. The reputation of a school body is developed through the conduct of its individual students and the collective student body.

Dress and Grooming

While fashion changes, the reason for being in school does not. Students are in school to learn. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted. Personal expression is permitted within these general guidelines. The following restrictions will be enforced:

- 1) Any clothing that contains vulgar or obscene slogans or pictures as well as any clothing that advertises any alcohol, tobacco, or illegal drug is prohibited.
- 2) Hats/bandanas, hoodies, and visors are not to be worn inside the building without prior permission from administration.
- 3) Pants must be worn properly around the waist. Pants may not contain rips or tears above the knee level unless rip has appropriate under garment. All shorts and skirts must be at a minimum of a fingertip length when the arm is extended at the side of the student.
- 4) All shirts must be able to touch the top of the pants. Strapless shirts, low-cut, and spaghetti tops are prohibited.
- 5) Shirts with excessively large arm openings or cut-off t-shirts are not permitted.
- 6) Excessive amounts of chains or jewelry, which may cause safety concerns for the student or other students, will not be allowed.

Dress Code Violation Consequences

- 1st Offense: Warning issued, and student corrects the violation
- 2nd Offense: Student corrects the violation and is assigned **one** after-school detention.
- 3rd Offense: Student corrects the violation and is assigned **one** Wednesday School. Administration may request a meeting with parent/guardian.
- 4th Offense: Student corrects the violation and is assigned **one** ACDC day. Parent/guardian is required to meet with administration prior to student returning to school.
- 5th Offense: Administration determination.

If a student has selected a manner of appearance that disrupts the educational process or presents risk to themselves or others, they will be asked to change into proper attire, removed from the educational setting, and/or be sent home until they comply with the dress code.

Grounds for Suspension or Expulsion

SECTION 10. IC 20-8.1-5.1 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1995]:

Chapter 5.1 Suspension, Expulsion, and Student Discipline

Sec. 1.

As used in this chapter, “principal” includes a principal’s designee.

Sec. 2.

As used in this chapter, “superintendent” includes a superintendent’s designee.

Sec. 3.

- a) Student supervision and the desirable behavior of students in carrying out school purposes are the responsibility of a school corporation and the students of a school corporation.
- b) In all matters relating to the discipline and conduct of students, school corporation personnel stand in the relationship of parents and guardians to the students of the School Corporation. Therefore, school corporation personnel have the right, subject to this chapter, to take any disciplinary action necessary to promote student conduct that conforms with an orderly and effective educational system.
- c) Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

Sec. 4.

- a) This section applies to a person who
 - (1) is a teacher or other school staff member; and
 - (2) has students under that person's charge.
- b) A person may take any action that is reasonably necessary to carry out or to prevent an interference with an educational function that the person supervises.
- c) Subject to rules of the governing body and the administrative staff, a person may remove a student for a period that does not exceed five (5) school days from an educational function supervised by the person, another person who is a teacher, or anyone who is a school staff member.

Sec. 5.

- a) A principal may take any action concerning the principal's school or a school activity within the principal's jurisdiction that is reasonably necessary to carry out or prevent interference with an educational function or school purposes.
- b) Subsection (a) allows a principal to write regulations to govern student conduct.

Sec. 6.

A superintendent or a member of the superintendent's administrative staff may take, with the superintendent's jurisdiction, any action that is reasonably necessary to carry out or prevent interference with an educational function or school purposes.

Sec. 7.

- a) The governing body of a school corporation must do the following:
 - (1) establish written discipline rules for the School Corporation
 - (2) give general publicity to the discipline rules within a school where the discipline rules apply by these actions:
 - (A) making a copy of the discipline rules available to students and students' parents; or
 - (B) delivering a copy of the discipline rules to students or the parents of students.

This publicity requirement may not be construed technically and is satisfied in any case when the School Corporation makes a good faith effort to disseminate to students or parents generally the text or substance of discipline rules.

- b) The superintendent of a school corporation and the principals of each school in a school corporation may adopt regulations establishing lines of responsibility and

related guidelines in compliance with the discipline policies of the governing body.

- c) The governing body of a school corporation may delegate rule making, disciplinary, and other authority as is reasonably necessary to carry out the school purposes of the School Corporation.
- d) Subsection (a) does not apply to rules or directions concerning the following:
 - (1) movement of students
 - (2) movement of parking vehicles
 - (3) day-to-day instruction concerning the operation of a classroom or teaching station
 - (4) time for commencement of school
 - (5) other standards or regulations relating to the manner in which an educational function must be administered.

However, this subsection does not prohibit the governing body from regulating the areas listed in this subsection.

Sec. 8.

- a) The following are the grounds for student suspension or expulsion, subject to the procedural requirements of this chapter and as stated by school corporation rules:
 - (1) student misconduct
 - (2) substantial disobedience.

The following types of student conduct constitute grounds for expulsion or suspension subject to the procedural provisions of this chapter:

- (1) using violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or comparable conduct constituting an interference with school purposes, urging other students to engage in such conduct, or possessing any firearm, explosive, or other weapon.

(F) continuously and intentionally making noise or acting in any manner so as to interfere seriously with the ability of any teacher or any of the other school personnel to conduct the educational function under his supervision.

This subdivision shall not, however, be construed to make any particular student conduct a ground for expulsion where such conduct is constitutionally protected as an exercise of free speech or assembly or other rights under the Constitution of Indiana or the United States.

- d) A student who must use a knife as part of an activity held by an organization that has been approved by the principal of the school is exempt from application of subsection (b) (6) so long as the knife is used as a part of or in accordance with the approved organized activity.

Sec. 9.

In addition to the grounds specified in section 8 of this chapter, a student may be suspended or expelled for engaging in unlawful activity on or off campus grounds if

- a) the unlawful activity may be reasonably considered to be an interference with school purposes or an educational function; or

- d) Following a suspension, the principal shall send a written statement to the parent of the suspended student describing the following:
 - (1) the student's misconduct
 - (2) the action taken by the principal.

ACDC Program Alternative Classroom in Dearborn County

All students placed on short term (1-10 days) out of school suspension are subject to assignment to the Alternative Classroom for Dearborn County (ACDC) at the discretion of the school. ACDC is a Dearborn-Ohio County-wide program that provides an alternative to out of school suspension in which students are required to report to the ACDC location to serve their suspended days. Parents are responsible for transportation to the program and students are required to report with all necessary materials for the completion of class work and are required to bring a sack lunch. Since this is an alternative educational placement, **student attendance is mandatory**. Failure to report to ACDC, and behave in an appropriate manner while there, could result in the student and parents being summoned to appear in court. Students will receive credit for class work completed while in ACDC. The ACDC day runs from 8:30a.m. – 2:30p.m. and includes time for completion of class work in the morning, a supervised lunch and community service in the afternoon. More specific information on the ACDC program will be provided at the time of the suspension.

After-School Detention

After school detention can be given by the teacher or administration for disciplinary problems that would not be serious enough for suspension or expulsion. After school detention for grades 6-8 will be from 3:05 p.m. until 4:35 p.m. and operate on Tuesdays and Thursdays during the week as determined by the administration. After school detention in for grades K-5 will be from 3:05 p.m. to 4:00 p.m. and will operate on Thursdays during the week as determined by the administration. Students who serve after school detention will be responsible for their own transportation home. Students will be notified as least one day ahead of time prior to serving After School Detention. Students must receive prior permission from the office if they cannot attend an assigned detention. If permission is not obtained, the absence will be unexcused.

Wednesday Evening School

Wednesday evening school can be given by the teacher or administration for disciplinary problems that would not be serious enough for suspension or expulsion. Wednesday evening school will be from 3:05 P.M. until 6:00 P.M.. Students who serve Wednesday

evening school will be responsible for their own transportation. Students will be notified at least one day ahead of time prior to serving Wednesday evening school. Students must receive prior permission from the office if they cannot attend an assigned Wednesday Evening school. If permission is not obtained the absence will be unexcused.

Classroom Discipline

Teachers in grades K-8 will establish rules, guidelines, and procedures that will govern the students while in that classroom. Students are expected to follow those classroom rules at all times while in that class. After the teacher has taken corrective action with a student for violating a classroom rule and has been unsuccessful in modifying the student's behavior, the student shall be referred to the office. In general, a student may be assigned in-school suspension (Grades K-5 ONLY), after-school detention, Wednesday school (Grades 6-8), out-of-school detention, and/or assignment to the ACDC program (Grades 6-8). In accordance with new Federal recommendations, students in grades K-5 will not lose recess time unless all other behavior modification attempts have failed.

Each school within the school corporation shall record the number of investigations disposed of internally and the number of cases referred to local law enforcement, disaggregated by race, ethnicity, age, and gender. Each school shall report this information to the school corporation superintendent who shall submit a written report to the Indiana Department of Education by June 2 of each year.

This policy shall be annually disseminated to all parents who have children enrolled in a school within the school corporation.
