## Rising Sun-Ohio County Virtual School Policies

### Student Eligibility

**Full time Students:** A full time student is a student who takes at least 5 courses a year through the Rising Sun-Ohio County Virtual School. Only students who have maintained a 3.0 GPA and have had no failing grades the year before entry may apply to be a full time online student. Parental permission is also needed. Once in the program students must maintain a 2.5 GPA, must have no failing semester grades, and complete all courses within the time frame provided under the course length described below. If a student fails to meet these requirements they will be on probation for one semester. If the student comes back into compliance they may continue in the program and will no longer be on probation. If a student does not come back into compliance they shall be removed from the full time program and be placed back in their home school. **Guidance and parental approval required.**

**Home School Students from year before:** All homeschool students must complete the application process in order to qualify for virtual schooling. After application a transcript evaluation will be done to access the students starting point and part time/full time status.

**Part time Students:** A part time student is a student who still takes a majority of their courses at their home school but takes at least one course online as a part of their schedule. A part time student may also be a home schooled student who takes less than a full time schedule in the virtual program. There are no requirements to be eligible for the part time program. It is based on need (credit recovery) or on a volunteer basis for students who want to

take an online course. In both cases a student will need permission from a guidance counselor for enrollment in an online course.

**Lab Eligibility:** A lab is available to any student at the principals discretion based on supervisory coverage and availability. All virtual students must check in at the main office before going to any class.

**Note: All students must sign a Student Code of Conduct before Enrollment (See copy of the Student Code of Conduct below)**

## Requirements for Testing

All students will be required to take all mandatory testing. The Rising Sun-Ohio County Virtual School administration will work with the home school of each full time student to provide the students with all the information the student needs to attend each testing session at the home school site. Full time students must comply with all Rising Sun-Ohio County Schools Student Testing guidelines listed in the code of conduct.

## Course Length

Students are given a maximum of **18 weeks** to complete a **one-half credit** course during 18 week semester. Courses can be completed prior to the 18 weeks. During a Summer School session, students have a maximum of 4 weeks to complete a one-half credit course. Courses can be completed anytime within the 4-week period. Class content is not condensed; instead time expectations per day are increased to accommodate the condensed timeframe.

## Withdrawal Policy

Students have 20 days from the time of enrollment in the course to withdraw with no penalty. Students who withdraw after the 20-day grace period can reenter the course at the point where they left off if the request for re-enrollment happens within 30 days of withdrawal. All requests for re-enrollment after 30 days will require the student to start the course from the beginning. All withdrawals after the 20-day grace period will be shown as WF.
