

## **2019 Free Summer Meals for Kids Information**

The Summer Food Service Program for Children (SFSP) was created to serve nutritious meals to children when the National School Lunch and School Breakfast Program meals are not available.

Everyone 18 years old and younger eat for free without providing any individual eligibility information at all open sites. On or after June 1, all Indiana sites approved to serve meals can be found:

- On the [SFSP parent page](#)
- By texting "Summer Meals" to 97779
- Or texting "Food" or "Comida" to 877-877
- By calling 211

You can also use the web address listed below for an interactive map and serving site list.
